Haringey Labour invests in Finsbury Park

Vote Haringey Labour

Thursday 7 May

New and improved Finsbury Park

We're proud that Haringey Labour is investing in Finsbury Park to keep it welcoming, accessible and safe. From new and improved play areas to a modern skate park and refurbished, accessible public toilets.

Securing Finsbury Park's future

Haringey Labour is securing a greener, more biodiverse Finsbury Park. We've created new habitats and strengthened climate resilience in Finsbury Park to protect its long-term health.

Standing up for residents

You told us your priorities for the park and we are delivering on them. We demanded an Environmental Impact Fee from all events that's reinvested directly to maintain the park, fund upgrades, and support vital local organisations and community groups.

More to do!

"We've kept Finsbury Park flying the Green Flag – the international gold standard for clean, safe, well-managed parks. But we're not stopping there. We'll continue making the park more accessible, improve lighting, and work with the Police to stop anti-social behaviour."

George

Cllr George Dunstall
Stroud Green Labour Councillor
